

# MONTHLY DOUBLES LEAGUE

## MONTHLY DOUBLES LEAGUE

### 2013 Spring Session

Starts January 21<sup>st</sup>; meets every 3<sup>rd</sup> Monday @ 7:00 p.m.

**Location:** traveling league; teams choose home location; see schedule @ [www.southcountypool.com](http://www.southcountypool.com)

**Open to:** any active APA players playing regular weekly league (8-ball or 9-ball) in South Orange County

**Team Roster:** up to 3 players per roster with any combination of 2 male/female per night; 2-player team cannot exceed skill cap of 10 in either 8-ball or 9-ball; combined skill cap cannot exceed 12 in either format

**Monthly Dues:** \$30 Fee per Team Per Month (\$15 per Player)

**Format:** APA 8-Ball & 9-Ball Scotch (Alternate Shot) Doubles Format; if player pockets a ball, partner shoots next ball during same turn; if player legally sinks last ball to win rack, partner breaks next rack

**FOUR MATCHES PER NIGHT!** one 8-Ball Doubles, one 9-Ball Doubles, one 8-Ball Singles, one 9-Ball Singles; home team flips coin to decide who will post first; partner will play other format vs opponent's partner

**Scoresheets:** Scoresheets can be printed online to show current rosters and skill levels, however they print like weekly league play scoresheets and do not contain the doubles race charts needed for the doubles race. Please use custom blank scoresheets e-mailed to captains that contain spaces for both the doubles and singles matches combined.

**Doubles Race:** follows national doubles championship race chart, depending on team's combined skill level

**Singles Race:** follows regular handicap race chart as weekly league play

**Coaching/Time-Outs:** for doubles matches, each team may have one timeout per rack/game

**8-Ball Scoring:** Teams may earn up to 10 points for 8-ball doubles match if they win; losing team will earn a percentage of 10 points based on how many games were won for their race, e.g. if they won 2 games and needed 3, they would earn 66.67% of 10 points or 8 points. Singles matches won are 1 point.

**9-Ball Scoring:** Teams may earn up to 100 points for 9-ball doubles match if they win; losing team will earn a percentage of 100 points based on how many points were earned for their race, e.g. if they got 27 points and needed 31, they would earn 87.1% of 100 points or 87 points. Singles matches are worth a total of 20 points and are scored the same individual matched in weekly league play.

**Bonus Points:** 1 bonus point may be earned for 8-ball and 10 bonus points for 9-ball if score sheets are complete and submitted on time and fees are up-to-date.

**WINNERS in EACH FORMAT** will get \$100 Entry into the annual Doubles Championships held during 2013 National Team Championships at the Riviera Hotel & Casino, Las Vegas!

August 15-17, 2013

August 21-23, 2013

**Winning teams** must have players with **20 lifetime Match Scores** (by end of June) and **must be on a 2013 Summer Session roster** in the format for which they qualify. If winning team's combined Skill Cap is greater than 10, then one player must find a new partner to stay at 10 cap to play in Nationals.
